

Meeting: Governing Body (in public)			
Meeting Date	23 February 2022	Action	Approve
Item No.	6.1	Confidential	No
Title	Corporate Plan Refresh 2022/23		
Presented By	Geoff Little, Chief Officer		
Author	Lynne Ridsdale, Deputy Chief executive, Bury Council		
Clinical Lead	N/A		

Executive Summary
The 2022/23 Corporate Plan is the second joint plan to be agreed by the Council and CCG to describe our commitment to the delivery of the Let's Do It! Strategy for Bury. This document summaries the progress made in 2021/22 and includes new priorities that have been agreed with Cabinet Members based on consultation with ward members, residents and other stakeholders.
Recommendations
The CCG Governing Body approves the Corporate Plan on behalf of the CCG.

Links to CCG Strategic Objectives	
SO1 - To support the Borough through a robust emergency response to the Covid-19 pandemic.	<input checked="" type="checkbox"/>
SO2 - To deliver our role in the Bury 2030 local industrial strategy priorities and recovery.	<input checked="" type="checkbox"/>
SO3 - To deliver improved outcomes through a programme of transformation to establish the capabilities required to deliver the 2030 vision.	<input checked="" type="checkbox"/>
SO4 - To secure financial sustainability through the delivery of the agreed budget strategy.	<input checked="" type="checkbox"/>

Governance and Reporting		
Meeting	Date	Outcome
Council Cabinet	16/02/2022	Corporate Plan Refresh 2022/23 being considered.

Report to:	Cabinet	Date: 16 February 2022
Subject:	Bury Council and CCG Corporate Plan 2022/23	
Report of	Cabinet Member for Corporate Affairs and HR	

Summary

1. The 2022/23 Corporate Plan is the second joint plan to be agreed by the Council and CCG to describe our commitment to the delivery of the Let's Do It! Strategy for Bury. This document summaries the progress made in 2021/22 and includes new priorities that have been agreed with Cabinet Members based on consultation with ward members, residents and other stakeholders.

Recommendation(s)

2. That Cabinet approves the Corporate Plan so that it can be presented to Full Council alongside the budget options for 2022/23 and the longer-term Medium Term Financial Strategy.

Reasons for recommendation(s)

3. This continues our commitment to "strengthening the basics" by embedding the corporate business planning process across all the work of the Council and CCG. This will allow for more effective performance management at organisation, departmental and officer level.

Alternative options considered and rejected

4. No alternative option considered.

Report Author and Contact Details:

Lynne Ridsdale

Department of Corporate Core Services
l.ridsdale@bury.gov.uk

Background

5. In 2020 Bury Council and CCG led the development of the Let's Do It! Strategy for the Borough of Bury, which sets out the vision for the next ten years. In 2021 a corporate strategic planning process was established, which provided an annual, integrated strategic plan for the Council and CCG partnership to guide the

partnership's delivery against the Let's Do It! vision. This is the second plan within this structure.

6. The Plan for 2022/23 has been designed following feedback from elected members, staff and external organisations such as the Local Government Association. In comparison with the plan for 2021/22 this Plan has been sharpened to have a greater focus on actions to be delivered, by quarter, and also the link to key performance indicators. In addition, the Plan includes more detail on the enablers of Internal Transformation, Organisational Design, Delivering Inclusion and Financial Management.

7. As well as setting out the priorities for the year ahead the Plan summaries the progress that has been made in 2021/22 in terms of delivery against the priorities with the 3R's Programme (Response, Recovery, Renewal) and other achievements that have been delivered in addition to the top 15 list agreed with Cabinet last summer.

Links with the Corporate Priorities:

Please summarise how this links to the Let's Do It Strategy.

8. This Plan references the contribution that the Council and CCG will make to the delivery of the Let's Do It! Strategy by the end of 2022/23.

Equality Impact and Considerations:

Please provide an explanation of the outcome(s) of an initial or full EIA.

9. Detailed EIAs for the individual projects included in the Plan will be developed and presented as appropriate.

10. The Plan reaffirmed the commitment from the Council and CCG to address inequalities within our workforce and throughout the wider population of the borough.

Environmental Impact and Considerations:

Please provide an explanation of the carbon impact of this decision.

11. This Plan includes details of our delivery commitment to addressing the climate change challenge within Bury.

Assessment and Mitigation of Risk:

Risk / opportunity	Mitigation
--------------------	------------

--	--

Legal Implications:

There are no legal implications arising from the report however the updating report to Members and the Corporate plan form a fundamental part of our governance assurance to Members.

Financial Implications:

There are no direct financial implications arising from this update report, although there are a number of key finance performance targets and savings delivery targets included within this report.

Background papers:

Please list any background documents to this report and include a hyperlink where possible.

Please include a glossary of terms, abbreviations and acronyms used in this report.

Term	Meaning

CORPORATE PLAN 2022-23

Bury Council and NHS Bury CCG

1 Introduction

The Bury Council and Bury CCG Corporate Plan 2022-23 sets out delivery priorities and performance measures that will guide the work over the next 12 months. This plan describes how the Council and CCG will deliver its contribution to the Let's Do It! Strategy to support the Borough of Bury as it recovers from the local impact of the COVID-19 pandemic.

In 2020 Bury Council and CCG led the development of the *Let's do it!* Strategy for the Borough of Bury, which sets out the vision for the next ten years. In 2021 a corporate strategic planning process was established, which provided an annual, integrated strategic plan for the Council and CCG partnership to guide the partnership's delivery against the *Let's do it!* vision. This is the second plan within this structure. It aims to:

- Set out the **context** for 2022 strategic delivery, including progress made over the last 12 months and the corporate challenges in the year ahead;
- Proposes strategic **priorities** for the year ahead within the “**Response; Recover; Renewal**” Framework and departmental delivery plans against this;
- Provides an overview of the approach to delivery, with a focus this year on strengthening the “**basics**” through the agreed transformation strategy; strategic finance; organisation development and driving inclusion; and
- Introduces the partnership including the operational “**business as usual**” and key performance indicators.

The priorities in this plan have been developed through:

- Feedback from residents through Community Hubs and our Elected Members;
- The *Let's do it!* Action plan, which is being updated in parallel by “Team Bury” partners for the year ahead;
- Feedback from external reviews into our services including OFSTED and the Corporate and Children's LGA Peer reviews; and
- Insight from wider governance including performance data, the Medium-Term Financial Strategy and corporate risk registers.

Delivery of this plan will be achieved through the work of our staff and leadership of Elected Members and the NHS partners:

- Every member of **staff** will have an annual performance and development plan to support these corporate priorities as well as their operational role.
- **Council Cabinet Members** have complementary work plans which reflect the milestones in this plan for their portfolio.

Performance will be tracked through:

- Monthly **highlight reports** of delivery against the plans, for discussion at the Executive Team and Cabinet Member portfolio meetings.
- **Quarterly performance reports** which are formally presented to the Council's Cabinet and CCG Governing body.

2 Organising our Delivery

The Council and the CCG in this locality is organised as six departments:

Business Growth and Infrastructure	<ul style="list-style-type: none"> • Provides building control and planning functions and leads on Town Centre masterplans and regeneration programmes
Children and Young People	<ul style="list-style-type: none"> • Provides universal and targeted help and support for the borough's children, including support to schools and children with additional needs
Corporate Core Services	<ul style="list-style-type: none"> • Provides HR, communications, performance, ICT legal and business support services. Provides a number of direct services to the borough's residents
Finance	<ul style="list-style-type: none"> • Leads on the medium-term financial strategy and planning, including delivery of revenue and benefits services to residents, businesses and stewardship of Council and locality NHS financial activities
Operations	<ul style="list-style-type: none"> • Responsible for environmental services including waste management, street cleansing, management of all highways and street lighting and operation of the Council's leisure, civic and regulatory services
One Commissioning Organisation (Health and Adult Care)	<ul style="list-style-type: none"> • Brings together all the health and adult social care commissioning functions of the CCG and Council into one structure. This includes public health functions and a single strategy for health and care commissioning, and reflects a 'place-based leadership' role for the operation of the whole health and care system

Together we provide a diverse range of services. For example, in 2021 we:

Operated some of the highest standard public realms including a Purple Flag Town Centre and 14 Green Flag Parks

Provided over 145,000 first doses of the Covid-19 vaccination, over 134,000 second doses and 99,000 booster doses

Recycled over 40,000 tonnes of household waste last year

Registered 1,852 births last year, as well as 2,252 deaths and 378 marriages

Were parents to 359 Looked After Children

Employed 2385 staff across all our services (excluding schools)

Received 18,500 contacts each year in relation to Adult Social Care, leading to 5,000 assessments; providing support to around 2,500 adult social care users at any one time

Managed 660km of carriageway, 300km of footpaths, 19,000 street lighting columns, 36,500 street gullies and 600ha of green space

Provided leadership to 82 schools and education to over 29,200 children

Received over 240,000 contacts to our services in a year

Planned healthcare services for 2021/22 with a registered population of 208,284, with 89,239 A&E attendances planned, 26,000 elective admissions and over 263,000 outpatient appointments

Aligned our budget for health and care to the value of £339m

3 Context for the Corporate Plan 2022/23

Over the last 12 months, the Council and CCG has worked tirelessly to protect residents from the impacts of **COVID-19**. As a category one emergency responder, our work has fulfilled the national requirements, supported the Greater Manchester Emergency Response programme and also continued to deliver other priorities within *Let's Do It!*

Last year, to deliver the emergency response, the Council and CCG developed a planning approach called the '**3Rs**' (figure 1). This set out 15 priorities across three strategic themes: response, recovery and renewal.

3.1 Response – fulfilling the Council's role as a category one emergency responder and the CCG's leadership in the role in the health system:

- The Local Outbreak Plan was maintained which included delivery of public health advice, humanitarian aid, mass testing centres and rolled out mass vaccination.
- The impacts of COVID-19 on children and young people were mitigated by continued support and leadership for children in need of help and protection. This saw an increase in the percentage of 2-year-olds accessing funded childcare (86%) to help narrow the gap in educational attainment.
- The 'For Each Other' campaign was delivered, including the £250,000 community recovery 'Pitch' participatory budget scheme.
- The health and care system worked together to maintain the availability of health and care services during the pandemic, both in terms of demand and staff availability.
- Support was provided to our businesses and £7,060,817 has been allocated through additional restriction grants (ARG) since December 2020.

3.2 Recovery – leading the civil contingencies recovery phase to restore the social, health and economic impacts of COVID-19:

- A total of £1,500,000 in additional financial support was provided, through distribution of national grants and maintenance of free school meals, to prevent and mitigate the hardship impacts of COVID-19.
- Over £700,000 funding for community recovery and health improvement was administered through a community-led, participatory model in every neighbourhood.
- Bury Council was accredited as a Real Living Wage employer and became a Member of the Greater Manchester Good Employment Standard network, which has improved the pay and conditions of over 4,000 local people.
- The Project Safety Valve programme for children with additional needs is now in delivery phase, endorsed by the Department for Education.
- Operational Services introduced a new waste round, invested in fly tipping and procured a second taxi MOT centre.
- Health and care transformation activity to address increased demand for health and care services, such as elective care waiting lists and demand for mental health provision.
- Town centre delivery boards were established for each town centre.

3.3 Renewal – visionary changes to “build back better” in the borough:

- Town of Culture celebrations included the Head for the Hills and Burrs Festival events, as well as the Victoria Wood Foundation Happy Festival.
- Strategic development plans in place for Radcliffe, Bury Town Centre, Prestwich

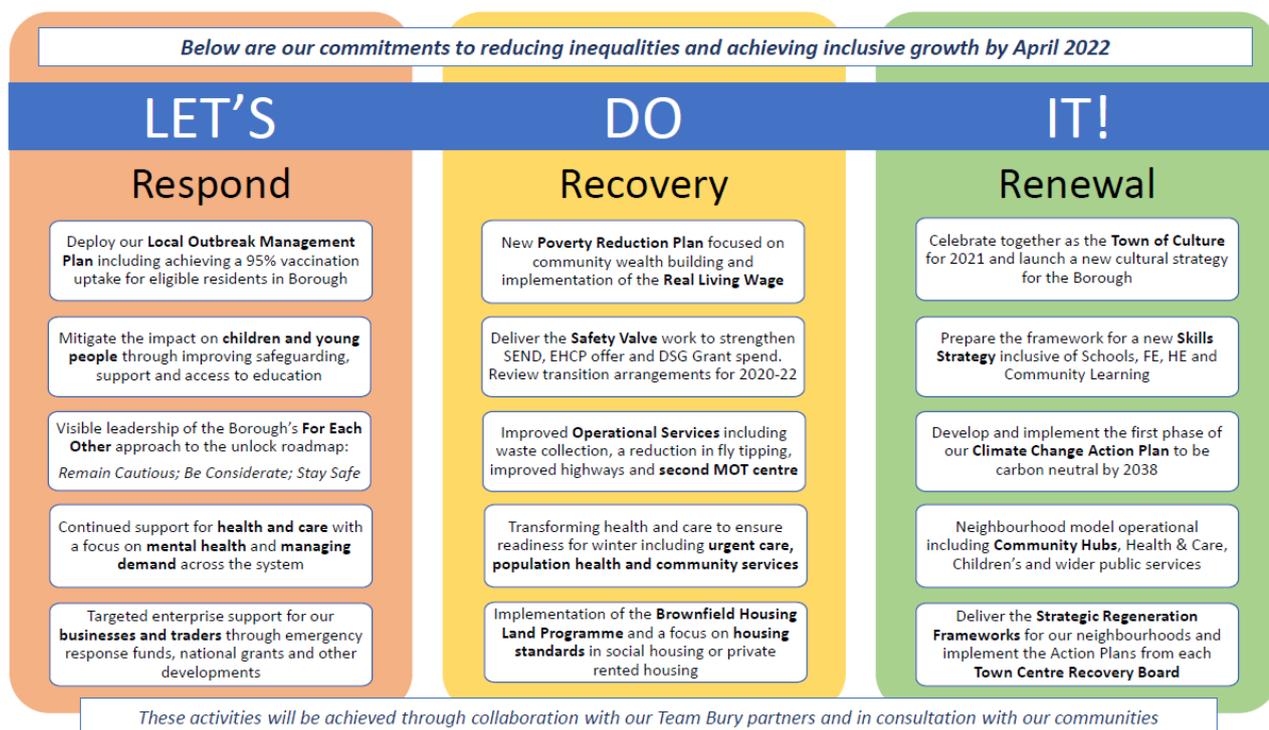

and Ramsbottom as well as ongoing delivery of the Northern Gateway vision.

- Strategic Regeneration Framework for Radcliffe agreed, including confirmed plans for a new high school. This also sets out a People Plan to engage local communities in the regeneration vision.
- Strategy for carbon neutrality by 2038 published to achieve the target of carbon neutral by 2026.
- Triage model developed for medium risk domestic abuse cases. 25 units of specialist housing have been commissioned and improvement plan delivered for management of high-risk cases.

3.4 Additional activity outside of the planned framework was also delivered last year, including:

- Securing two national Levelling Up bids, with a combined value of £40m, for Radcliffe regeneration and the development of a flexi hall at Bury Market. In addition to this, the Bury Interchange development forms part of the £1.07 billion award of monies through the City Region Sustainable Transport Settlement (CRSTS).
- Implementation of an Agile Workforce Strategy which has provided a platform for more efficient ways of working. This positions the Council effectively in a challenging recruitment market and makes significant savings from disposal of office estate.
- Launching delivery of the multi-year internal transformation programme, including agreement of a Digital First Strategy and design of a corporate business support service.
- Agreement of a Community Safety Plan for 2022-25. With the following priorities for the next three years: reducing offending and drug-related offending, supporting victims and tackling the causes of domestic abuse, strengthening community cohesion, creating and maintaining safe spaces and tackling crime and anti-social behaviour.
- A refresh of the partnership-wide Health and Social Care Locality Plan. and the development of whole new set of partnership arrangements in the light of the transition to a GM Integrated Care System model and the replacement of Bury CCG by a GM Integrated Care Board.

Figure 1: The 3R's

4 The Challenges and Opportunities for 2022

At the beginning of 2022, the longer-term health and economic impacts of the pandemic are emerging. The 2022 Corporate Plan will therefore continue delivery of the '3R' priorities. There are, however, some significant challenges which frame this delivery, including:

- The **challenge of improving outcomes** in the post-COVID-19 context. In the 2021 Corporate Plan, it was reported that the gap in healthy life expectancy between those who live in the most and least affluent parts of our borough is, after decades of improvement, starting to widen, the measure of deprivation in our towns is stagnating and our educational attainment is not as good as it was. The post-emergency health and economic challenges, including the increase in cost of living, growing mental health demands and evidenced inequity in outcomes across protected groups are anticipated to make it even harder to reverse this decline.
- The **Council's fragile financial position**. The Medium-Term Financial Strategy requires delivery of budget savings and efficiencies of £16.5m in 2022/23 (£10.9m of these were agreed in prior years). This year, the Council must also plan how to respond to the more fundamental reductions of c£9m in 2023/24 at the same time as managing significant increases in demand for some services, particularly health and care.

In parallel, work is required to develop a strategy for the Housing Revenue Account, develop governance for the Capital programme and deliver a reduction in the Dedicated Schools Grant (DSG) deficit.

- The national **transformation of health system commissioning** will be implemented in 2022, with the establishment of an Integrated Commissioning Board (ICB) replacing Bury CCG and the other 9 CCGs in Greater Manchester as part of a transition to a GM Integrated Care System (ICS). The vision for Bury is that the new delivery structure and partnership arrangements will help to drive the delivery of the local Bury objectives of the refreshed Bury Locality Plan for Health and Care
- **Children's Services** in the council has been assessed as inadequate and an Improvement Notice has been issued by the Department of Education. The Council is developing an improvement plan across the following three themes: workforce, leadership and practice improvement. Delivery will be overseen by a whole-system Improvement Board.
- Children's Services are also leading the Department for Education Project Safety Valve initiative to reduce the size of the **Dedicated Schools Grant deficit**. The value of the Bury deficit is currently one of the largest in the country.
- Delivery of large-scale **regeneration projects** will provide many challenges including:
 - Pressures on securing clean title, materials and labour.
 - Availability of commercial skills for major construction contracts.
 - Stakeholder management throughout the lifecycle of the programme.
- Driving **Organisational Improvement** and getting 'the basics' right.

5 Priorities for 2022

The 2022 plan will continue to be structured against the “3Rs” with a focus on **delivery** to support our commitments to response, recovery and renewal. These are described in the table below and will be revisited on a quarterly basis through the Performance Management Framework. In addition to the long-term work carried forward from 2021, priorities for 2022 will also reflect:

- New activity agreed as part of the children’s improvement plan;
- Action plans to support the delivery of our Levelling Up and other regeneration schemes;
- Support to understand the implications of the adult social care reform white paper; and
- Operational support for businesses and residents due to the implementation of the clean air policy and associated regulatory changes.

To address issues raised through our external peer reviews, a cross-cutting commitment has been made to strengthen ‘**the basics**’ of how we operate, to maximise available resources and improve effectiveness. The majority of this will be delivered through the internal transformation programme including:

- A staff behaviour framework which defines a consistent, high performing way of working against the LETS principles
- A re-launch of the Council Customer care standards
- A refreshed system for managing Members’ casework
- The Council website update and channel shift priorities
- Improvements in internal HR and finance processes
- Investment in the skills and systems of management
- A framework for identifying and developing strengths in delivering the basics

The “Basics” work will also see the development of:

- A corporate problem-solving methodology.
- An improvement plan for Operational Services including a transformation of leisure services and highway improvement programme
- Preparation and delivery of the 2022 Local Election.

Progression of these priorities will ensure delivery is right first time, that service user satisfaction is improved and there is an agreed approach to addressing problems when they arise.

Alongside the delivery of the key priorities, we will support **enabling activity** including:

5.1 Internal Transformation, including digital

In July 2021, Cabinet agreed a multi-year internal transformation programme with the objectives of both improving service quality and reducing costs. The programme is comprised of three workstreams: **Let’s do it...**

- Once – an integrated customer contact strategy.
- Flexibly – estates rationalisation and agile working.
- Well – internal improvement and efficiencies.

Underpinning much of this work is the Council's **digital programme**, which seeks to promote digital-first user engagement, a digital workplace and improved business intelligence.

5.2 Driving Inclusion

Significant progress was made during 2021, including establishing a staff-led Inclusion Working Group across CCG and Council and strengthening the underpinning staff networks, community demographic research and delivery of 'peer-led' internal training. The Inclusion Strategy focussed characteristic in 2021 was race. This saw us deliver a series of race 'listening events' to inform how we better understand and engage with communities with a commitment to clear actions to deliver.

The partnership also recognises military veterans, personnel and reservists within its Inclusion Strategy and gives equal focus to this group as to other protected characteristics. A refreshed Military Covenant on behalf of CCG and Council was also agreed this year. Delivery of the inclusion strategy work plan will continue into 2022.

5.3 Organisation Development

The partnerships mission is to provide direct and robust leadership of the **Let's Do It!** vision through the mindset of staff and impact on their approach to delivery services. In 2022, a People Strategy will be created, setting out the organisations framework for developing skills, structures and culture needed to drive delivery of the vision. Work here will include:

- Co-creation of a set of **values** which support our diverse workforce to demonstrate the 'LETS' principles, underpinned by practical behaviours which drive a change in culture.
- **Development of leaders and managers** to equip them with the skills and confidence to deliver on the partnerships ambition.
- Strengthening approaches to **talent identification and development**, including work with apprenticeships to focus on creating opportunities for Bury residents.
- Focus on **wellbeing and engagement**, emphasising the role of managers, informed by best practice and internal evidence.
- Improvement in the **systems and processes** that support quality management.

5.4 Financial Management

2022/23 will see the long-awaited finance department restructure. A fundamental objective of this restructure will be to create and develop a high performing team who support all budget holders and activities within Bury to ensure financial discipline, grip and control is achieved. It is key that finance is seen as an enabler to all departments to achieve the objectives and priorities of the Council, whilst ensuring financial sustainability and resilience.

6 The '3R Priorities for 2022' – Overview of Priorities

A summary of the delivery programme for 2022 is illustrated below. Delivery plans, developed by all departments, are outlined below.

Response	Recovery	Renewal and Regeneration
<ul style="list-style-type: none"> - Delivery of the COVID-19 Outbreak Management Plan including testing, vaccination and Public Health support. - Support to Bury businesses, including administration of national grants. - Supporting the Health and Care system to cope with COVID-19 and the backlog of demand, including Mental Health. 	<ul style="list-style-type: none"> - Delivery of Project Safety Valve to reduce the Dedicated Schools Grant deficit. - Programme of improvements in operational services. - Support to health and care transformation, including establishment of the Integrated Commissioning Board. - Developing the neighbourhood model, using a multi-agency approach, including the pilot of a Family Hub. - Update the poverty reduction strategy. - Delivery of the all-age borough skills strategy as part of the Economic Development Strategy. - Delivery of the children's OFSTED improvement plan. - HRA strategy. - Developing a Corporate Landlord function to effectively manage our estate. - Clean Air and Minimum Licensing Standards. - Decarbonising the Public Estate. 	<ul style="list-style-type: none"> - Delivery of the regeneration strategies in Radcliffe, Ramsbottom, Prestwich and Bury East. - Delivery of the Levelling Up Schemes for the market flexi hall and Radcliffe Hub. - Delivery of the brownfield housing programme. - Support to the establishment of new secondary schools in Radcliffe and Unsworth. - Implementation of the Climate Change programme. - Delivery of the accelerated Land Disposal. - Submission of the Places for Everyone (GMSF/Plan of 9) and subsequent engagement with residents.
